Hi Michael & Jenny,

Just giving you some feedback that I have had about your mobile cafe so far.....

- I think they are excellent, the coffee is great and very reliable
- I have to say that their Soy Latte's are the best I have had so far.
- Coffee is good thanks Leanne
- Keep them coming Leanne :-)
- Yes, I love their coffees. My only criticism is that I would prefer the coffee to be hotter, but I have been told I like my coffee hotter than most.
- It works better to put in an order and collect it when it is made. It was a pain having to wait outside for them to do it. I have had no problem with my orders so far. The coffee is good.
- All good here, I now Sean has been a happy camper too.
- Hot chocolates are yummy!!!
- I like them ☺
- Chocolate frappe was very sweet, maybe a bit too sweet
- Apart from getting a smaller sized coffee than what I paid for last Friday I have no complaints. (Friday 19/08/11)
- One of the staff got a different coffee to the one they asked for (this was the very first time you came to our office)

As you can see majority of the feedback is very positive, apart from a couple of minor mix ups..... otherwise..... thanks Michael & Jenny.....keep those coffee's coming!!!!

Regards,
